Please note:

after 40yrs teaching Taiji, my cycle of Taiji teaching is completed.  
All weekend seminars and summer 8day trainings have ended.  
Cortona 2013 was the last Euroseminar Residential.

Lake Constance 2013 was an Advanced Training centred more purely on internal refinement.  
Perhaps it will repeat yearly (last week in August).  
Shorter seminars with myself, centred more purely on internal refinement, may also appear.

Ongoing classes & weekend seminars are available in Zurich & Shanghai, taught by senior students.  
These are supervised by myself and suitable for all levels – individual help available according to students true level.
